## SERVICES

**We are dedicated to helping you achieve financial freedom. Keep in mind this journey and destination looks different for every business owner and that's why we craft our services to fit your needs. Please contact Olivia with questions regarding the services below.**

### **VIRTUAL BOOKKEEPING**

**Starts at \$125/ month**

Offered monthly or quarterly for your small business through QuickBooks Online. Includes allocation of revenue and expenses, bank reconciliation, adjusting journal entries, and creation of balance sheets and income statements.

Price increases based on complexity of books and time.

### **RESCUE WORK & FINANCIAL STATEMENTS**

**\$100/hour**

A 1 time job for those who need QuickBooks setup, bookkeeping clean up, bank reconciliation, and accurate financial statements needed for tax purposes.

### **TAX PREPARATION**

**Starts at \$250**

Individual and business tax preparation includes federal and all state returns. Pricing for returns varies due to nature and complexity of each return. New clients are required to fill out an application and pay a \$250 deposit fee that will be deducted from the total bill for preparation services.

Business tax returns for partnerships and corporations start at \$500.

### **TAX STRATEGY & PLANNING**

**Starts at \$200**

We'll analyze your income, deductions, tax withholdings, and goals, then create a step-by-step strategy to reduce your tax burden, optimize your business structure, and prepare for year-end. You'll walk away with an estimated year end tax liability and a clear action plan to maximize savings and avoid surprises.

### **TAX RESOLUTION**

**\$75/ hour**

If you're facing back taxes, penalties, or IRS notices, this service provides direct representation and solutions. We'll review your tax situation, communicate with the IRS on your behalf, and work to resolve issues through payment plans, penalty reduction, or other available relief options.
